

School Council

Assembly Notices to school: 01.02.08

Topic	Ideas
Star Day	Teachers and school council agree that the children will be given their chance to say what they would like to do for Star Day. This can be done in class councils or put in the suggestion box.
Suggestion box	This is a time for all children if they have any thoughts or ideas about school life. Box will be in the hall.
Easter Egg competition	1 pound to charity of choice. Posters needed. Children can make their own egg. Big egg for winner and smaller eggs for the runners up.
Lunch times	Points have been put forward to teachers and will be discussed. A Rota was suggested.
School council video	This is designed to show the school and others how the school council works and the roles each member plays. We are still discussing layout and who to interview and may feel some class and school council meetings.
School picture	Discussion was held on the idea of updating the school picture with the new teaching staff. Also it was suggested that its position be moved, so it can be seen better.
